## Athora Netherlands and WTW complete PPI transfer

**Athora Netherlands N.V. (Athora Netherlands) announces today that the transfer of WTW's Dutch Premium Pension Institution (PPI) to Athora Netherlands has been completed.**

WTW's Dutch PPI remains a separate entity for now. Eventually, it will become an integrated part of Zwitserleven PPI N.V, while keeping its main current client proposition. To this end, a comprehensive integration plan will be developed in 2023.

### **Leveraging the best parts of both PPIs**

Annemieke Visser-Brons, Chief Commercial Officer of Athora Netherlands: "Obtaining DNB approval was an important step in the acquisition process. Now the transfer is complete, and we are pleased to welcome the employees and customers of WTW's Dutch PPI to Athora Netherlands. The acquisition of WTW's Dutch PPI allows us to leverage the best parts of both PPIs. The combined scale and capacity give us the opportunity for even more innovation and even better service to our clients and participants."

### **In the best interest**

Rolf Kooijman, Chair stichting trustee board: "We are delighted that the transfer to Athora Netherlands has been completed. We are confident that this transfer is in the best interest of our employees, customers and participants. Together we are well-positioned to grow and maintain our high level of customer and participant satisfaction."
